This is in response to Paper filed on 19 September 2006.

I. The following is an examiner's statement of reasons for allowance:

(1) The record shows that applicants cancel the objected claim 7 and incorporate its limitation in claim 1. Accordingly, the considered and examined claims 1-6 and 44-45 are now allowable over the prior art on the record.

(2) The amended claims are not rejected under judicially double patenting over the claims in US Patent No. 6,746,826.

(3) The related claims 52 to 63 are also considered and allowable over the prior art on the record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

II. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoa V. Le whose telephone number is 571-272-
